MC reported that she has been working on the response of objection from the Parish Council to the above appeal.

The written representations in response to the Appeal had been circulated prior to the meeting and the contents of this were approved. The statement of objections prepared by MC will be accompanied by:

- The Asset Heritage Consulting statement

- The addendum to the viability report by Mike Hughes

MC reported that she has sent this to Lucy Smith at JPPC for review.

The council agreed that they were against the Appeal and approved the written representations and to their submission to the Inspector along with the other documents noted above. MC will work with AL and Nick Withers to edit the final copies for submission both via hard copy and electronically.

The council asked AL to do another shout out regarding responding to the appeal.

The council thanked the Plough Working Group for all of their hard work on the planning application.

The council discussed how to help generate more interest in the pub and agreed that more information on events would be useful. AL will ask Steve Nicholls at the Plough about a slip of paper for the Advertiser regarding the New Year's Eve event. She will also offer to post any events online/do shout outs.

The meeting was closed at 7:50pm.
