## THEY THINK IT'S ALL OVER... Part 2

Last month, for many of us, was all about the footballers. By which, I *don't* mean the highly-paid, heavily-inked superstars of Russia 2018, who yelped and writhed in agony whenever an opponent brushed against their thigh (how do they cope at the tattoo-parlour, I wonder); who took an age to leave the pitch when substituted, apparently sponsored for the number of handshakes completed en route to the touchline; and whose ability to draw imaginary rectangles in the air became more and more impressive as the tournament wore on. It's true of course that there were also many excellent matches during this year's World Cup, with some wonderful goals and some sublime individual skills on display. But even the story of plucky Croatia, a nation of only 4 million people, overcoming the odds to reach the Final, pales into insignificance alongside the story of the *Wild Boars* football team – the twelve Thai boys trapped with their coach for two weeks in the Tham Luang caves.

Whether or not it was wise to lead his party into those caves in the first place, it would appear that, throughout the ordeal, "Coach Ekk" did a remarkable job in keeping his young squad calm, safe and together. As a junior soccer coach myself (and also a former school-teacher), I cannot imagine being able to manage the situation as successfully as Ekk did – not least because I am borderline claustrophobic, and would never ever *ever ever* sign up to go potholing...

Anyway, as you can imagine, the details of the *Wild Boars* story are something of a gift, a parable even, for the Christian minister seeking to explain why Jesus Christ is such good and urgent news.\* There's the imagery of people wading into trouble, unable to find a way out; in their search for refuge, they wander deeper and deeper into the darkness, and further and further from safety. While their common experience affords them a small measure of comfort and support, they are in fact isolated, trapped, hungry and helpless. That is, they are utterly dependent on the courage, competence and loving concern of a rescue team *from the outside*, prepared at great personal risk to enter into and save them from their dark and dangerous world...

With my best wishes and prayers, as ever, Revd. Ken

\*"You see, at just the right time, when we were still powerless, Christ died...." (Romans 5:6).

## Gardening Club

Don't forget to enter the Appleton Village Show, which will take place on Sunday 2nd September at 2.00 pm in Appleton Village Hall. This is not just for gardeners: the Show classes cover not only vegetables, fruit and flowers, but also art & handicraft, flower-arranging, cookery and photography. All the details (including entry forms) are in the Show Schedule, copies of which are available in Appleton Community Shop. Entry forms must be submitted by 9.00 pm on Wednesday 29th August.

Whatever your thoughts about the weather and its effect on potential exhibits from your garden, remember that everyone else will have been in a similar situation. What's more, the plentiful supply of sunshine and blue skies in 2018's summer must surely have provided excellent conditions for taking photos. So think about what you could enter in this year's photography classes:

- Close-up
- Early light or shot at dawn
- What are you wearing?
- Good order
- Face to face; and
- Cyclist(s).

The Club's 2018-19 winter lecture series will commence on Wednesday 10th October.

## Plough Inn Planning Application

Many thanks to all of you who took the time to challenge the planning application to build on the pub garden. The response to the Vale was amazing and the Planning Officer can be in no doubt about the strength of feeling in the village. At the time of writing this piece, the Planning Officer has asked the developers to provide more extensive information to her. Once this is available, there will be a re-consultation period when we will have the opportunity to comment on the new material submitted.

To challenge both the current application and the previous one, the Parish Council and the Pub Working Group have used the services of a planning consultant. As the Parish Council had not budgeted for such costs, we are asking for donations to help cover the professional fees. Please see the following Just Giving page:

## **Appleton School's Mini Red Tennis Team are County Champions!**

## **Oxfordshire School Games County Final 5th July**

Our Year 3/ 4 Mini Red Tennis team competed at the Oxfordshire County Finals. They had won two previous rounds in order to qualify for this event and they were representing our school, our West Oxford Partnership and The Vale. They faced some tough competition but out of 255 schools in Oxfordshire, they made it into the final 7.

In the finals they won 6 matches and drew one which meant that they won the overall competition and finished in first place! They are now OXFORDSHIRE COUNTY CHAMPIONS!

What an excellent achievement! A special thank you goes to Miss Thompson and Mr Woods who have supervised the team during each round and to all of the parents and family members who have cheered the team on.

## **Beyond Sport Poetry Competition- the winning Poem!**

Earlier this year, Appleton School took part in the 'Beyond Sport Poetry Competition'. Winning entries were sent off to the organisers at County Level and we were thrilled to announce that one of our pupils (aged 6 years) in Year 1 had been chosen as the overall winner.

She read her poem at the opening ceremony of the Oxfordshire School Games County Final at Tilsley Park in July in front of a huge audience. A great achievement!

Here is her winning poem:

**Let's all work together**

**We should all work as a team.**

**If you work alone you won't achieve your  
dream.**

**It's much better in a group.**

**We're sure to pass the test.**

**If we help each other we can be the best.**

## **Appleton preschool – Internal auditor needed for September**

# CHRISTIAN AID WEEK 2018

Another year on, and despite the continuing financial limitations imposed on many households in Appleton, Eaton and Besselsleigh, we still raised the impressive total of £1114.45 during this year's House-to-House Christian Aid week. THANK YOU to all who delivered and collected envelopes from as many households as possible and a special 'Thank you' to everyone who gave so generously to this year's appeal.

In 2018, Christian Aid is focusing on the plight of people who live in regions of the world where repeated natural disasters such as hurricanes, earthquakes and floods devastate their homes, and with particular focus on Haiti. This year's catch phrase is: "Building Homes to Weather Any Storm" In addition, Thank You to those of you who Gift Aided your donation. This will add a further £150.35 and bring the final collections to a very worthwhile £1264.80. We should congratulate our three communities, as this is a significant fraction of the total sum raised (£6670) during Christian Aid week 2018, by the eight churches in our Abingdon Local Committee

Well done everyone! With many thanks.

## **Did you know that community shops are good for you?**

Supporting them can lead to a more sustainable local economy and support small start-up businesses.

They are the ethical choice too, as food sourced locally has a short 'field to fork' journey, will be fresher and often have less packaging.

Your shopping experience can be improved by a healthy walk instead of having to drive further afield.

Community shops help combat isolation and prevent the loss of local services.

Our own shop does all these things and hosts a coffee shop and post office.

## **Brian and Neil, walkers who visited the shop recently while walking the Thames Path left the following comment:**

**"Fantastic that the village community has come together to keep the shop going. Better service than the 'professionals' "!**

## **SOS -Join our Volunteers**

Urgent help needed with back office production of the newspaper lists for the paperboys and girls, a longstanding team member has had to leave and we need a replacement as soon as possible.

The work is only once a week, for up to an hour, in the shop office to assist with the computer work to produce the lists. Training is provided by our friendly team.

Why not come along and spend a couple of hours with one of the other volunteers to see where you could help.

We currently need more volunteer help with the following:

During the summer months- people to join the bank of volunteers willing to help out when a regular volunteer is away.

If you would like to know more about volunteering, please contact the shop (863191) or email: [apletonshop@gmail.com](mailto:apletonshop@gmail.com)

## **Remember while you shop to give to the Community Emergency Food Bank**

Place your donation of dry groceries and /or toiletries in the plastic boxes below the Post Office counter, opposite the cards.

Your gifts are collected regularly and sent to the local food bank for those in urgent need.

Take a look at the Community Shop home page on the village website at:  
Shop Website

And follow us on Facebook

## **Save Our Scheme**

### **The Appleton Voluntary Transport Scheme urgently needs more drivers.**

The transporting of patients who have no independent means of getting to their medical appointments is falling on fewer and fewer volunteers.

There is no commitment to be available all the time - most people have busy lives outside volunteering, and you can specify the days of the week when you can't help. But if you can go on the list of people we can call upon occasionally it would remove the pressure on the small pool of drivers we have.

Most journeys are to Abingdon, Wootton or Witney. For these, waiting times are short. There are journeys to the Oxford hospitals, but no-one is asked to wait for the duration of lengthy appointments. Some trips are just to collect patients after such appointments.

Your ordinary car insurance normally covers this voluntary driving, and you are paid the expense of using your car.

There are a lot of elderly people who really cannot get to their medical appointments under their own steam, and this sort of voluntary service is what makes the village into a community. If you think you can help, in however limited a way, please give David Dymock (863709) or Penny Moorley (862865) a ring.

Maintain and improve your quality of life through a comprehensive exercise class which combines bodyweight and equipment-based exercises. Every class focuses on balance, strength, fitness, co-ordination and more. The exercises are simple, easy to learn and open to all levels. Each week promises fun, variety and the alluring sound of Latin music.

Locations are below:

# **News from the Appleton with Eaton Parish Council**

## **Parking in the village**

Parking on pavements has increasingly become a problem in the village particularly along Netherton Road and Badswell Lane.

Please do not park on the any pavements in the village. Residents campaigned for over 30 years to have the pavement in Netherton Road built so as a parish we need to protect it and keep it clear of obstructions. Pedestrians should not have to walk in the road because a vehicle is parked on the pavement.

Parking on the road slows traffic down which will prevent speeding and ensure that the residents walking around the village are safe.

## **Just Giving**

A Just Giving page has been set up to support the parish council in raising funds to cover all the professional fees incurred in challenging the planning applications and working to ensure The Plough stays at the heart of Appleton life.

# **Year 8 and above? Boring Thursday evenings? Not any more.....**

OX13+ Appleton Youth Club is back on 13 September – 7.30pm in the village hall

OX13 is Appleton's youth club for young people in year 8 and above.

We meet twice a month during term time, generally in the village hall, but outdoors in the summer months for tennis, pizza making, rounders and BBQs.

All sorts of activities are on offer – table tennis and pool, karaoke and film nights, plus themed evenings which have included quiz nights, beatboxing, special effects make-up, and multi-sports. All this for just £1.50 per session.

The youth club is entirely volunteer run, but everyone has been DBS (CRB) checked and there's always a first-aider on call. We are affiliated to Oxfordshire Youth, an umbrella charitable body that supports volunteer run youth clubs with advice and activities. If you're interested, please e-mail Alison ([alisonjeffreys@appletonmanor.co.uk](mailto:alisonjeffreys@appletonmanor.co.uk)), or come along to the first session of the autumn term at the village hall to find out more.

## **Be Water Aware this summer**

With the weather warming up, long sunny days and the summer holidays in sight, there is a temptation to cool off in one of Oxfordshire's many rivers and inland waterways. And while there may not be any river monsters waiting down there, unfortunately rivers and waterways can be very dangerous places - 255 people accidentally drowned in 2017 in the UK.

That's why, at this time of year, Oxfordshire's Fire and Rescue Service is reminding all residents to Be Water Aware to help everyone stay safe this summer.

### **Would you know what to do?**

Knowing what to do when someone gets into trouble in the water could help save someone's life:

**Call:** 999

**Float:** tell them to float on their back

**Throw:** something that floats

... and don't jump in yourself

## Crockery and Cutlery

There is a large amount of crockery and cutlery kept in the Barn at South Lawn, Netherton Road. It was given to the village by the late Mrs Molly Rose and Mrs Rosemary Dick. If you wish to use it at any time please ring 862434 and make a small donation to Appleton Church.

Please give two weeks notice if you wish to borrow any items. It will then be ready for collection from the Barn on Tuesday and/or Friday mornings up to 11a.m.
