PRODUCED BY THE CHURCH FOR THE COMMUNITY

**Rainbow /Harts Bridge to be
closed for repairs 2 March to
31 March**

Foreword from the St Laurence PCC

On 19 November 1997, amidst mountainous seas off Shetland, a Coastguard lifeboat and helicopter answered distress calls from the Green Lilly. The 3000 ton cargo vessel had got into severe difficulty, just off the rocky coastline. All 15 members of the Green Lilly's crew were saved that day, in large part thanks to the heroic efforts of winchman Bill Deacon. Choosing to secure the final two members of the crew first, rather than attempt a dangerous three-man lift, Deacon remained alone on board whilst his colleagues hauled the stricken sailors to safety. Tragically, in the moments that followed, Deacon was washed to his death, ultimately giving his life in the place of the sailors.

I first encountered the story of Bill Deacon in 2001, when a minister likened the winchman's sacrifice to that of Jesus dying in the place of others, albeit this is an imperfect picture (more on that another time perhaps).

Why bring this up now, you may ask? At the time of writing we are celebrating Valentines Day, and the story above sprung to mind whilst pondering the notion of love. Deacon's is undoubtedly a stirring tale; equal parts heroism and poignancy. It is an example of one type of love, namely sacrificial love. The winchman selflessly laid down his life in place of the sailors. The members of the Green Lilly's crew will surely never forget Bill Deacon, and sadly in the decades that have followed there have been all too many opportunities for this to be repeated – one thinks of those who gave their lives on Westminster Bridge shielding others in 2017.

In contrast it's easy to dismiss Valentine's Day as just a commercial event, a chance between Christmas and Easter for retailers to shift more chocolate. As a typically forgetful husband, this argument usually gets desperately trotted out some time after the shops have closed on the evening of the 13th February each year!

The church can be guilty of this thinking; so keen not to embrace commerciality that it risks throwing out the baby with the bathwater. We can easily view the sacrifice of Bill Deacon as "real love", but the Bible isn't embarrassed to engage with our emotions. In fact, it contains some of the most emotive tender language ever written, and has been described as God's 'love letter' to his people. The church is variously described as "a bride, beautifully dressed for her husband" and the "apple of [God's] eye", hiding "in the shadow of [His] wings". The wonder of Christian love is that it has room for, and indeed calls for, both: tenderness **with** strength, sacrifice **and** sentiment.

Thank You

A big thank you to everyone who supported the Ceilidh in the barn at 'South Lawn'. A sell out, it was the best night yet with all ages represented dancing enthusiastically under John's expert guidance. Whether you were part of the OX13 team serving supper, baked delicious treats, manned the bar or bought a ticket we want to thank you for contributing to a fun night where we raised £1600 for The Abingdon Bridge and St Laurence Church.

Churchyard Project

There really is nothing to report about the churchyard project this month as the weather has been so wet and windy. Two notice boards have been made and designed to explain the project and what wildlife might be seen in the churchyard but there is rather a long-drawn-out process for getting these approved. However, plant planning is going ahead hopefully over a drink in the pub. We have decided to postpone the children's workshop yet again until later in the spring as we think the weather hopefully will be more conducive to building the bee and bug hotels. Thank you to all those who have got involved so far in the first steps towards encouraging wild life in the churchyard.

Evergreen Club

Our March meeting is on Friday 13th when the friendly folk will entertain us with songs, humour and country dancing. Stalls, raffles and all homemade tea. Lovely to see new faces coming to join us.

Trish Wagstaff

Gardening Club

The Club's February meeting was an illustrated talk by Sue Burge entitled *Making a Garden*, which took us on a journey through the creation of her half-acre wildlife friendly garden starting from a garden with a few large fruit trees. This included installing a wildlife pond which has just been refurbished having become overgrown and is now a welcoming place for their newts and other wildlife. Sue has been inspired by other prominent gardeners such as making a dry garden in part of the drive. When making alterations to the house the builders were instructed to take care of the dry garden which is flourishing again. As well as these two garden areas there is a small wildflower meadow, herbaceous borders, shrubs and trees and a vegetable plot. A very interesting and inspiring evening for us all.

Looking to the future, the Appleton Village Show will be on Sunday 6th September which is open to all residents of Appleton and Eaton. The photographic classes are:

Boats

The Garden Gate

Symmetry

Clouds

Feathered Friends

That's Amazing

March's talk will be by Rachel Siefried – A Flower Farmer's Year. Rachel produces flowers in bulk, which are cut for weddings and special events. She will also bring flower plants and seeds for sale. The meeting will be on Wednesday 11th March at 7.30 pm in Appleton School Hall, and as always guests are very welcome at £2 each.

"The River at War" Appleton with Eaton History Group

A date for your diaries:

Do come and join us!

AwEsome Histories no. 7:

This is our most recent compilation of stories and local history research projects.

It is on sale in Appleton Community Shop, price £3. It contains an account of Appleton in 942AD; the mystery of a lost trackway through the village; the lives and times of the family occupying the chest tombs in Appleton churchyard; a great grandfather's house for sale; the church brass project inspired by a school trip; an update on the village's archaeological project, and more besides.

We'd love to have new members joining the group. We normally meet at John and Rosie Page's house, 27 Badswell Lane, on the first Thursday of the month.

APPLETON CE PRIMARY SCHOOL

**Are looking for two new
Foundation Governors
Come help us Build Wisely for
Life!**

Appleton CE Primary school's vision is to be:

A happy and welcoming school community where the children learn to build wisely for life by following Jesus' example of love and care, and by aiming to be the best they can be for themselves and for the good of others.

The School is looking for two new Foundation Governors to join the Governing Board and it is important to have a good balance between parents and non parents. The role of the governing board is to provide challenge and support to the school's leadership team to support the achievement of the school's objectives. The commitment would be to attend 8 meetings a year from 6:30 – 8:30 pm on Wednesday evenings, plus two or three school visits annually by each governor.

The School are looking for individuals who have:

- An active interest in education
- A commitment to improving quality and raising standards
- A willingness to get to know the school: its needs, strengths and areas of development
- A commitment to the school's ethos and vision and a willingness to promote it within the community
- A commitment to promoting equality and diversity

In addition, individuals with particular experience in finance and/or data analysis would be most welcome. If you are looking for an opportunity to contribute to the heart of the community please contact enquiries@stlaurencechurchappleton.org if you would like to learn more.

Appleton Village Pre-School update

Thank you to everyone in our community (and beyond) who supported our fundraising efforts in February: both via the donation of Valentine's raffle prizes (and the buying of tickets), and our Aardman Animations workshops, which saw around 150 people in the village hall learning to make a Gromit or a Shaun the Sheep. We are also truly grateful to the trustees of the Appleton Trust for their recent gift.

Our fundraising is going well this year, but is far from complete. You may wonder why we need to fundraise. In short, it's because we accept applications from children whose parents/carers are eligible for either 15 or 30 hours of funded childcare, without any restrictions on when those hours can be taken, or any top-up charges. It really is a pre-school for all. In practice, this means that the funding we receive is less than our core running costs, and so we rely on fundraising in order to cover the shortfall.

At half term, we were really sad to bid farewell to our Deputy Supervisor, Nyree Coates. Nyree joined the team in 2010 and is going to be missed by the whole pre-school community. We are grateful to Nyree for her enthusiasm and professionalism, and for her care for the children whose early years she has helped shape over the last ten years. We are grateful to Tracey Agutter and Jane Gibbs for keeping the ship steady while we seek to appoint Nyree's successor.

News from the Appleton with Eaton Parish Council

The 8th May 1945 was the day peace emerged in Europe after nearly six years of war, so the 75th anniversary on 8th May 2020 represents an important milestone in our history. To commemorate this important occasion, there will be village celebrations over the Bank Holiday weekend (8th-10th May 2020) and we are looking for volunteers to help organise and co-ordinate the events so that our whole community can join in and celebrate this special weekend. St Laurence Church will be marking the occasion and the Plough will be the centre for some of the celebrations.

If you are interested, please contact the clerk, Allison Leigh, at the contact information below, or speak to a Parish Councillor.

There is also a suggestion box in the Village Shop for people to add suggestions for the celebration weekend.

We look forward to hearing from you!

Looking after neighbours

With the recent storms, the council would like to ask residents to check in on neighbours in adverse conditions. We know that many of you do this anyway, so thank you!

New website

Due to new website accessibility requirements as well as looking at the Parish's current website as a whole, the Parish Council has decided to build new website for the Parish. The Council will be obtaining quotes for this. If there is anyone who is interested in quoting for this project, please feel free to contact the clerk.

Neighbourhood Plan

As you may be aware from previous communications, the Steering Group had been analysing the responses from the pre-consultation phase. The Group is delighted to have received so many constructive comments. The analysis of comments has taken a fair amount of time as there were nearly 400 comments to analyse from 84 responders and statutory consultation bodies. The Group is now in the process of addressing the comments for the next phase of the Plan, which is the Consultation Phase. The Group feels this analysis is so important as taking all of your comments into account will help ensure the Plan is *your Plan* and reflects your views as a community.

The Group will continue to provide you with updates as we near the next phase, which will be in the relatively near future.

Speed Sign

The council has had many comments about speed in the village and resolved at its February meeting to invest in a moveable speed sign for the village, partially funded by a grant from Oxfordshire County Council. Once the sign arrives and has been in use for a little bit, the council will be looking for volunteers to assist in a speed group. If you are interested, please feel free to contact the clerk.
