

NEIGHBOURHOOD PLAN FOR APPLETON WITH EATON

Appendix B

2020-2031

Advertiser article about the beginning of the Neighbourhood Plan - April 2016

PARISH COUNCIL NEWS

Neighbourhood Plan

The parish council has started the process of developing a Neighbourhood Plan for the parish of Appleton with Eaton and would like to invite the whole community to attend a public meeting on the **16th April 2016 at 10am** at Appleton Village Hall to hear more about the process. It is very important that the whole community is involved in this process.

The parish council is looking for volunteers to join the Neighbourhood Plan Committee to help develop the Neighbourhood Plan for our area. Sign up forms to express your interest in being part of the committee will be available at the meeting.

Visit <http://mycommunity.org.uk/programme/neighbourhood-planning/> for more information about Neighbourhood Planning.

If you are unable to attend the meeting and wish to be part of the Neighbourhood Plan Committee or you are interested in helping then please email me: parishclerk.appletonwitheaton@gmail.com and I will email you a sign up form.

Susan Blomerus, parish clerk, 01865 596272 / parishclerk.appletonwitheaton@gmail.com

APPLETON WITH EATON CALENDAR 2017 - CALL FOR PHOTOS AND RECIPES!

Thank you to everyone who supported the 2016 calendar!

The new 2017 calendar will feature our local area (to appear as cards for you to use once the calendar is published). Each month will also include a recipe. We are delighted if you could contribute a photo and a recipe to: parishclerk.appletonwitheaton@gmail.com

Appleton Volunteer Transport Scheme (AVTS)

This scheme to drive people to medical appointments is now available to residents from Appleton, Eaton, Fyfield and Tubney. To use this scheme: call 0750 3447884 on: Monday between noon and 1:00pm or Wednesday between 6:00 and 7:00pm.

Appleton Village Hall

Suitable for meetings, parties, dances and wedding receptions. Enquiries 01865 863519 or email richclan@btinternet.com

Advertiser article update on the next steps of the Neighbourhood Plan process - June 2016

Appleton Neighbourhood Plan

Dews Meadow Pork: Is produced in a traditional manner to the highest quality standards. The pigs are bred outside and are finished in a straw-based, unstressed system, where no growth-promoters, hormones, routine antibiotics, or added copper are used. Add the optimum mix of breeds, and the result is the flavour and tenderness of traditional pork.

Want to try out Volunteering? Why not come along and spend a couple of hours with one of the other volunteers to see where you could help. We have lots of plans for the future to expand the range of local foods available, so why not get involved and make your shop even better?

We urgently need volunteer help with the following:
Saturday afternoons (1pm to 4pm) during June, July and August - working behind the counter. Please could you let us know when you are available so we can plan a rota?
Production of the newspaper lists for the paperboys and girls - Once a week or fortnightly, in the shop office to assist with the computer work to produce the lists.
Now that summer is here- people to join the bank of volunteers willing to help out when a regular volunteer is away.
If you would like to know more about volunteering, please contact the shop (0863191) or email: appletonshop@gmail.com

APPLETON W.I.
Our meeting will be held on Thursday 16th June 2016 at 7.30 p.m. in the Village Hall.
Russell Cherry will speak to us on **"The Oldest Road - the Ridgeway Explored"**
No Competition this month but there will be a Stall and items for sale would be welcomed. The next committee meeting will be held at Ann Biles house on Friday 10th June at 2.00 p.m.
Visitors are always welcome; please come if you would like to hear Russell Cherry's talk.

Advertiser article on the results of the Scoping Survey - December 2016

NEIGHBOURHOOD PLAN

We have the initial results of the Neighbourhood Plan Scoping Survey. The scoping survey was conducted to provide a basis for a more comprehensive survey that will inform the aims and objectives of the Appleton with Eaton Neighbourhood Plan. The Neighbourhood Plan will represent the position of the villagers in regard to future development of the parish.

The Survey was completed by 52% of households. Villagers see the current strengths of the parish outweighing the weaknesses and there is an equal perception of future opportunities and threats.

The key strengths are the character of the village, its green spaces and its clubs and amenities, especially the village shop and the school.

The main current concerns are the loss of the bus service and traffic concerns such as parking and speeding. Parishioners are also worried about access to the A420 and the river. The overwhelming opportunities and threats for the future both involve housing. There is a clear perception of the need for small scale low cost housing for local needs, but this is almost perfectly balanced by concerns about larger scale developments that parishioners fear may damage the character that they clearly profess to love about Appleton.

Loss of facilities and green space are other concerns about the future.

The Main Points- The number of raw responses from a total of 194 completed surveys and as a % of surveys completed (rounded up to nearest %)

Strengths
Clubs 76- 39%
School 76- 40%
Shop 112- 58%
Green Space 75- 39%
Character 145- 75%

Weaknesses
Access to Countryside/Footpaths (total) 65- 33%
- Of which- river access 54- 28%
Traffic and Transport (total) 322- 100% (mentioned more than once in most surveys)
Of which- Loss of Bus Service 117- 60%,
Access to A420 80- 41%.
Parking 65- 34%,
Speeding 42- 22%

The Neighbourhood Plan Steering Group thank all those who contributed to the survey and welcome the opinions and thoughts of villagers in the ongoing process.

See www.appleton-eaton.org/neighbourhood-plan for more information and news.

NEWS OF THE COMET MINIBUS SERVICE

The Comet minibus service is to run on two days each week:
Mondays (from 28th November) and Wednesday mornings.
The minibuses leave the village at 10.10 (approx.) and the return journey from Oxford leaves at 1pm (prompt). Always confirm the pick-up point in Oxford with the driver.
On alternate Wednesdays (23 November, 7 December and 21 December), the minibuses will have started by collecting passengers from Hinton Waldrist and Longworth and hence there will be fewer seats available from Appleton on those dates. (However, there has been good availability in recent weeks.)
All Monday minibuses will start in Appleton. Until the end of November, Oxfordshire County Council have been funding the service and the Parish Council will take on funding the service for the time being.

Appleton School Pupils Join in the 200th Birthday of the Bells

Pupils at Appleton school have been learning all about the history of Appleton Bells this term, in preparation for the big celebration on 4th March.

At a special school assembly, they heard about the heritage of Appleton bells and Whites bell hangers. They tried out hand bell ringing, which they really enjoyed.

Some of the older children will be performing on hand bells at the Bells Celebration itself. Year 6 (the class at the top of the school) enjoyed a fascinating visit to the bell hanging workshop, where they learned how bells were cast and placed in bell towers. The pupils also learned about the largest bell in the world which is in the Kremlin and weighs 200 tonnes!

The oldest bell the team at Whites have worked on is about 800 years old.

The children heard that the workshops were originally in the Greyhound Pub at Besslesleigh before they moved to Appleton. Amy Carnell, Head teacher said:

'I am delighted that the children at Appleton School have had this opportunity to be involved in the Birthday of the Bells, and I would like to thank all those at Whites and the helped our pupils part of their

Neighbourhood Plan Consultation Period

The Neighbourhood Plan Steering Group would like to thank all those who participated in the drop-in session on the 27th January and comments received at Appleton Community Shop. The feedback received will be used to improve the policies to be incorporated into the Plan.

Following on from this the completed Neighbourhood Plan will soon be publicised for our 6 week consultation period, during which the Plan will be available for all residents to examine. Links to more information and the full Neighbourhood Plan will be posted on the village website and the Neighbourhood Plan Facebook page. Hard copies will be available to read in locations around Appleton and Eaton including Appleton Community Shop, the Plough, the Eight Bells, the village hall, the tennis club and St Laurence's Church. Banners and posters will appear around the parish to notify when the consultation period starts.

It is particularly important that as many people as possible read the Neighbourhood Plan during the 6 week consultation period, as this will be followed by the opportunity to vote in the referendum for adoption of the Plan. Engagement with the Neighbourhood Plan is ESSENTIAL to ensure that the Plan put forward represents the views and opinions of Appleton with Eaton. Please take the time to read it and give us your feedback, AS YOUR VIEWS MATTER in the future of our parish.

Appleton with Eaton Neighbourhood Plan
22 January 2018 at 15:49 · Appleton ·

The Neighbourhood Plan is nearing completion. Please come along to the Village Hall this Saturday to give your feedback. We need your views on green spaces and public access routes as part of the process too. This is very important to shape your village for the future! (There is also tea and cake!).

BUSINESS AND EMPLOYMENT

OBJECTIVE

to provide businesses the opportunity to operate and develop within Appleton with Eaton.

POLICY

Proposals which can be demonstrated to improve existing businesses and encourage new businesses will be supported if they are in keeping with the villages' character, and if the following conditions are met:

- (i) Any parking, noise, lighting, vibration, smell or emissions likely to be generated will not adversely impact on the amenity of neighbouring properties, biodiversity and the character of the surrounding area.
- AND
- (ii) The proposed development/change of use will not have an adverse impact on the safety of road users/pedestrians or on traffic congestion.

Advertiser article announcing the Pre-submission Consultation Phase – May 2019

The Appleton with Eaton Neighbourhood Plan is entering its final phase!

Pre-submission consultation will run from 7th May 2019 – 21st June 2019.

The Neighbourhood Plan document and a questionnaire will be delivered to every home. There will also be the facility to answer the questionnaire online via the website at appleton-eaton.org. Supporting documents will be available to view on the website and at the Village Shop.

There will be a **launch event** for the Neighbourhood Plan on **Saturday the 18th May at 10am in Appleton Primary School**.

All residents are invited to attend to discuss the proposed Neighbourhood Plan and next steps. Refreshments provided!

It is important for **you** to give **your** opinions on these documents to ensure that the Neighbourhood Plan reflects **your** views on how the development of the Parish will be influenced over both the immediate and long-term future.

If you have any questions, please feel free to contact the Neighbourhood Plan Secretary at aweneighbourhoodplan@gmail.com or 01865 865 876.
