Dear Friends

I'm not a political animal and don't get that excited by politics as a rule, but even I'm conscious that we have a local elections looming on Thursday 6th May. There are times when I despair of knowing who to support, as they all seem to stand for many of the same things and it's so hard to tell them apart. Someone has gone as far as to say, 'Capitalism is man's exploitation of man, whereas socialism is the exact opposite.'

However, one thing I do know is that we are very fortunate to live in a country that practices representative democracy, with elections we can trust, and on the basis of one-person, one-vote. My reason for this rests on two beliefs that Christians hold:

The first is the awareness that government of the people, by the people, for the people, in an open community system that in principle allows anyone to qualify for office, best expresses in political terms our God-given dignity and the worth of each individual.

The second is the perception that power must be limited. In this fallen world, as Lord Acton put it, all power corrupts and absolute power corrupts absolutely. Thus, the separation of powers and the building of checks and balances into executive structures will limit the danger of corruption, even if such procedures for restraint will never eliminate them entirely.

These two Christian insights mesh with the worldly wisdom that sees that the more citizens can feel they have shared in making the decisions that now shape their lives, the more resolutely they will adhere to them.

Here at St Laurence we will soon be holding our annual elections of those who help me to lead the church – both new Churchwardens and a new Parochial Church Council. My thanks to all those who have served the church family these last challenging months and particularly to those who have taken on a responsibility of some sort for the year ahead. I am most grateful to them all, and especially to our Churchwardens, Pete Day (in-coming), Stuart Gibson (out-going) and Roger Mitty (continuing).

With all good wishes

Phil Parker – Rector

ST LAURENCE, Appleton with Besselsleigh Annual Parochial Church Meeting (APCM) 2021

Our APCM will be held on Sunday 16th May
10.30 am in church.

It is a legal requirement to present the Annual
Report and hold a vote for the election of Lay
members to the Parochial Church Council
(PCC). The 2020 Annual Report will be
available to download from the website
from 1st May 2021

www.stlaurenceappleton.org
or email the PCC Secretary, Carol Dodimead
pccsecretary@stlaurencechurch.org
for a copy.

The APCM is a meeting for all those on the
Electoral Roll and anyone resident in the
Parish.

Please do come and join us.

Church Flowers Coordinator

We are urgently seeking someone who would
be prepared to take over the coordination of
the volunteers who organise the flowers in
church on special days from Ann Ford who
has brilliantly fulfilled the role over many years.

If you are interested in finding out more, in any
capacity, please call Roger Mitty on 01865
863794.

Youth Club – keep it running.....

OX13 – Appleton's Youth Club has been
running for 17 years. The young people we saw
in those early years are now grown up with kids
of their own - It's definitely time for us to pass
on the reins.

Post-pandemic, we hope to re-start in
September, but only if we can recruit some new
(possibly younger) volunteers. Otherwise Youth
Club will fold.

OX13 meets for an hour and a half every other
week in term time. It's not a huge commitment
and there's very little paperwork involved. The
club is affiliated to Oxfordshire Youth who
provide great back up and assistance. You
don't need to have any youth work experience,
or have teenage children – just plenty of
enthusiasm, and ideas for fun activities. And
some current volunteers will remain on hand to
help out on club nights and support the
transition.

Over the years Youth Club has played a huge
part within the community, giving our young
people their first taste of teenage socialising,
integrating them into village life, and bringing
the generations together. It needs to continue.
It needs your help.

If you would like to find out more without
obligation, please call Alison on 01865 861591
or Sue on 07584 038832

We had an interesting talk by Katherine Crouch on Plants which should be Better Known. Katherine started her talk by describing the changes over the years to the way we acquire plants – starting from nurseries and neighbours through to the garden centres of today, growing mainly from seed or cuttings, bare rooted shrubs to mostly potted up plants. If we go today to independent nurseries we can often find interesting plants as well as unusual varieties of well-known common plants. Katherine talked about the different ways we can grow plants, for instance, against a dark or evergreen hedge to highlight pale foliage, or growing dwarf alpine plants in troughs or pots so that they can be sited anywhere in the garden to be viewed at best advantage.

Plant Sale

We will be holding our Plant Sale on Saturday 22nd May from 10am - 12 noon in the Village Hall car park. Please could you bring your own bags to take your plants home. We welcome any plants for the sale – if you would like to bring them along on the day we will be at the car park from 9 am. If you would like us to collect any plants from you either in advance or on the day please email aegardeningclub@gmail.com . We will be following any Covid Government guidelines at the time. Let's hope we have a sunny day!

Art and Handicraft classes for this year's Village Show will be:

-A picture in any medium depicting a gardening related subject, maximum size 21cm x 30cm (approx. A4).

-An item made from yarns or textiles (for example, something knitted or sewn)

-An animal made from using recycled materials, to fit a table space no larger than

Classes are open to all ages, full details are in the free Show Schedule now in the Appleton Community Shop or by email from Monica Price (mtpboxtree@gmail.com). So, get out your glue, paints, needles and glitter, its time to be creative and have some fun.

If you are planning to enter the 'biggest crop of potatoes grown from a single tuber in a bucket' class you can use any standard 14 litre (no larger) bucket purchased from a DIY store, or you can purchase a bucket with pre-drilled drainage holes from Monica Price at 12 Park Lane price £1 each. Please put money in envelope provided and post through front door.

As our next meeting is the AGM, it will be for members only and will be followed by a talk by Nigel Fisher on Wytham Woods – past, present and future. Nigel has been Conservator of Wytham Woods since 2000. The Woods are owned and maintained by Oxford University and are a Site of Special Scientific Interest. They are one of the most researched areas of woodland in the world. The meeting will be held on Wednesday, 12th May at 7.30 pm on Zoom.

Appleton with Eaton History Club

Our next meeting will be our Annual General Meeting on Thursday 8th May at 7.30pm on Zoom, and then we will get on with our usual informal discussion about local history topics. Everybody's welcome, just email Helen Stedman (helen_stedman@yahoo.co.uk) for a Zoom invitation.

This will be our last 'indoor' meeting of the year, but we have two summer treats lined up. We will be having a special member's only tour of the AAARP summer archaeological excavations of the old medieval Besselsleigh Manor site on 17th June in the evening, and on Thursday 1st July our summer evening history walk will be around Eaton, kindly guided by David Hine.

If you are interested in exploring any aspect of our local history, why not join us, membership costs just £5 a year. For more information, contact Roger Gilkes (awehg1@gmail.com or tel. 01865 863640).

Appleton Baby and Toddler Group

If you have or look after preschool children then we warmly welcome you to join our group, which from Friday 23 April will meet in Jubilee Park 9.30am-11.30am. There will be picnic blankets for crawlers/babies while the more active tots can run about, and we might even muster up some al fresco coffee! High Sheriff's Award for the valuable contribution to our community

In the last days of March the Shop was thrilled to receive an unexpected visit from the outgoing High Sheriff, Mrs Amanda Ponsonby, who came to present them with a High Sheriff's Award.

These awards are made annually by the High Sheriff and are more usually awarded to individuals.

However, during her shrieval and pandemic year (the High Sheriff's year runs from April to March) Mrs Ponsonby felt that it would be much more appropriate to make the awards this year to groups or organisations across the county whose team efforts had made a very valuable contribution to their community during the pandemic.

Appleton Community Shop was delighted to be recognised in this way and particularly pleased that the Award was and is for everyone – the whole team who have kept the shop open, well stocked and safe during the last year, supported by those who have buddied up with, cared for and looked after their friends and neighbours.

Thank you everybody and congratulations!

Appleton Voluntary Transport Service

The Appleton Voluntary Transport Service can now offer a very limited service. It remains the case that our drivers are either over 70, and have to be aware of their consequent vulnerability, or are in employment, but if anyone is unable to get to a medical appointment in any other way we will try to fix up a driver.

Please phone the AVTS phone on 07503 447884, and not the home numbers of drivers. Leave a message if your call is not answered, and we will get back to you. We need to have at least 48 hours' notice of any appointment.

For Oxford hospital appointments, the 63 bus service has resumed, and there is an excellent bus service from central Oxford to both the Churchill and the John Radcliffe. We hope that patients will use public transport where at all possible.

Please be aware that it may not be possible to arrange transport for patients who are not personally known to drivers.

Calling all Miniature Garden Designers (and treasure hunt fans)!

On Sunday 27th June, between 3-5pm, we are holding a fun village event showing miniature gardens around Appleton, with a treasure hunt clue to find in each one. There will be a village map to show where the miniature gardens can be seen. This event is **free for anyone** to enter and for all to visit and small prizes will be awarded for the following categories for the Best Garden Designs:

- A) 11 years and under. B) 12-18 years old
- C) Adults (Over 18s).

The miniature gardens can be any size from a small dish or tray, up to a maximum of 1m x 1m, for those who are feeling ambitious! The miniature gardens can be put on front lawns, garden walls or a table in a driveway. To take part, all you need to do is email Alix Hodge c/o events@stlaurencechurchappleton.org or call 01865 861591 **by 15th May** with your name, age category and details of where your garden will be located. Do join us if you can!

Appleton WI

At last everything is looking more positive.

We have decided to have another picnic in the cricket club. The arrangements will be like the last one. Bring your chair and something delicious to eat, and say a prayer for good weather. This will take place on Thursday, June 24th at 2.30pm.

Hopefully, our next proper meeting will be on Thursday, 15th July at 2.30pm in the Village Hall, when we will celebrate our 95th birthday with a special afternoon tea.

Please remember that subs are due. Thanks to our excellent treasure we can keep the cost to a minimum. Please get your cheque for £22.40 made out to Appleton WI to Ann Biles as quickly as possible.

It will be lovely to get together again.

Citizens Advice needs volunteer advisers

We can all face problems that are too stressful or complicated to sort out alone.

In 2019 our 150 volunteers advised over 11,000 people. We helped three quarters resolve their debt, benefits, employment and housing problems.

We now need more advisers to help us during and after the Covid-19 crisis.

Our main offices are in Abingdon, Didcot, Henley and Thame. Since March 2020, 90 volunteers and staff have been advising the public from home on our Adviceline service. Recently we partially re-opened our offices, in part to train new advisers.

What will you get out of it? You will join a friendly team, meet new people, develop your skills and make a real difference to people's lives.

You'll need to have good listening and interpersonal skills, a willingness to learn and be confident with computers. Full training will be provided.

If you have eight hours a week to spare for the next two years or more and are looking for a satisfying and stimulating volunteer role in your local community, please contact us at:

www.citizensadvice.org.uk/local/oxfordshire-south-vale/volunteer/

Appleton with Eaton Tennis Club

Back to the Courts!

Tennis was able to restart on Monday 29 March and we have already enjoyed a busy April on the courts. Members have been able to resume singles and doubles play, and all the Club organised sessions have re-started including adult and junior coaching, and the ever popular cardio tennis.

We do operate as a COVID secure venue and full Rules and Guidance, provided by the LTA, are in place. Members cannot go to the courts unless they have booked a court, or booked into one of the organised Club sessions. Club sessions are currently limited to a maximum of 10 players.

Unfortunately, because of the restrictions, we cannot offer Pay and Play sessions to Non-Members. However, Members are allowed to bring along visitors for a small visitor fee.

Junior Coaching

Junior coaching resumed on Friday 23 April for a Summer Term Programme. Children of Non-Members may attend, although the child does then need to join as a Junior Member – but it is very good value; £9 for the year for 11 years and under.

Full details of the Programmes offered (by age group) are shown at:
<https://clubspark.lta.org.uk/AppletonwithEatonTennisClub/Coaching>

If you are interested please contact out Junior Coaching Coordinator - Rob Scriven - robert.scriven1@btinternet.com . Some places are still available and your child might

be able to join at a pro-rata rate for the remainder of the programme.

The Comet Minibus is restarting

We are delighted to report that the Comet minibus service to Abingdon restarted on Monday 12th April, as Government Covid restrictions start to ease. The minibus will only be able to take a maximum of 6 (socially distanced) passengers. As we need to notify OCC in advance of who will be travelling, do please make contact if you are interested in using the service. The minibus also picks up passengers in Fyfield en-route.

Face masks must be worn on the minibus. The minibus departs from Appleton at 10.10am and then returns from Abingdon at 1pm. Just the right amount of time to do some shopping, and enjoy a coffee and a chat.

If you are interested in using the minibus, please contact Mary Carey on 07812 354496 or Betty Griffiths on 01865 863255

News from the Appleton with Eaton Parish Council

Covid-19

At the time of printing, England enters Step 2 in the easing out of lockdown. The Parish Council asks that residents please continue to follow government guidelines. Further information can be found at <https://www.gov.uk/coronavirus>.

As the Parish Council receives information, we will communicate with residents via e-mail, noticeboards and the website. If you wish to receive e-mails from the Parish Council please visit appleton-eaton.org and scroll to the very bottom of the home page to subscribe to the mailing list.

If you need any assistance related to Covid-19, because for example you are isolating or shielding, please contact the clerk who can direct you to the appropriate Coronavirus Appleton Besselsleigh and Eaton Support Group (CABES) person.

Parish Councillor Vacancy

We hope you agree that Appleton and Eaton Parish is a happy, friendly and peaceful community - a lovely place to live. The area has a rich history spanning at least 1000 years.

Behind the scenes many decisions need to be made to ensure that this continues to be the case - some of these are small and mundane, though none the less vital for that. In other respects, a small community like ours faces a myriad of challenges in order to retain these things we love, while also being able to adapt to the changing needs of all who live here.

There is a vacancy on the Parish Council, and we need someone with a love of our community and the commitment and vision to be part of these decisions - some simple and some of greater significance that will ensure that Appleton and Eaton remain wonderful places to live for future generations.

If you feel that you would like to be part of creating this present and this future for your community (whether you've lived here for many years or are relatively new), then please contact the clerk, **Allison Leigh, either via e-mail at parishclerk.appletonwitheaton@gmail.com or via phone on 01865 865 876.**

Parking in the Village

We have had several reports of cars parked by the playground on Badswell Lane. We ask that people not park in this area as it is not meant for parking as the signs done by the children state.

The council would also like to ask residents please not to park on footpaths and also to ensure that tradespeople visiting their property, behave similarly.

We very much thank you in advance for your cooperation on this matter to ensure people can enjoy safely walking in the village.

Joint Local Plan 2041: Call for Sites

Supporting its new Local Plan process, Vale of White District Council held a 'Call for sites' consultation in April to May 2020. Please be aware the Call for Sites is purely a data gathering exercise. It allows landowners, agents, developers, community groups and others who are interested in having land considered for a range of different uses to submit site information to the council that they would like to be assessed. Sites submitted for consideration have been set out in a Call for Sites Register. The site register and maps are published for information and have no status in planning. They can be found on the Vale of White Horse District Council's website.

The Call for Sites does not grant planning permission to any sites submitted or confirm that the sites are suitable for development.

The sites submitted in the 2020 Call for Sites are one source of information that the council will use to consider which sites might be suitable for allocation through the Local Plan. Other potential sites and sources also need to be considered, including those sites submitted previously to the Local Plan 2031 Part 1 and Part 2. The document and appendices (which list the sites) can be found on the Vale of White Horse District Council's website. The planning merits of the sites will be considered using the criteria and method consistent with relevant government guidance, the outcome of which will be published in a Housing and Economic Land Availability Assessment (HELAA). The HELAA is in preparation and will be published alongside future local plan consultations.

***Please note:** the register has been published in April 2021 and is up to date as of this month. The council may periodically update the content of the register.*

If you have any questions on our Call for Sites, please contact the Planning Policy team via planning.policy@whitehorsedc.gov.uk or call 01235 422600.

New Cherry Tree!

The Parish Council wishes to thank Frosts at Millets Farm for donating a flowering cherry tree to the Village. Appleton with Eaton Parish Council was one of 75 communities chosen to commemorate their 75th anniversary. The tree has been planted on the grass verge by the stream at the entrance to Fettiplace. Many thanks as well to the volunteers who helped to plant it.

Appleton with Eaton Neighbourhood Plan

The Consultation Phase of the Neighbourhood Plan has now concluded. The Steering Group is working with the Vale of White Horse District Council as to next steps and will keep residents updated through the website, noticeboard and e-mail as we have updates.
